Anbar Journal of Agricultural Sciences (AJAS) is a Journal of Scientific Research on Agricultural Sciences published by the University Of Anbar - College Of Agriculture since 2019 under the license of Creative Commons Attribution 4.0 International (CC-BY). The journal publishes twice a year (June and December). AJAS aims to disseminate distinguished scientific research to various fields of agricultural sciences. We invite original work and research in various fields of agricultural sciences and related papers, reviews, and short communications of content related to agriculture written in Arabic...
