STYLE OF CITATION AND REFERENCING

Citation technique and referencing style should be in line with current APA referencing style. The referencing shall be arranged alphabetically at the end of each article in the following format:

Books

The basic pattern for a reference to a book is: Author, initials, (year), *Title of book* (Edition if later than first e.g 3rd ed.). Place of publication: Publisher.

Doganis, R. (2001). *Information foraging in the 21st century*. London: Routledge. Note:
List up to 6 authors. The 7th and subsequent authors are abbreviated as *et al*.

Beech, J. & Chadwick, S. (2006). *The Business of Information Management*. Harlow, England: Prentice Hall.

In the case of a chapter in an edited book, use the following format:

Zammit, J. (2008). From a National Airline to an EU Leisure-Based carrier. In Graham, A. Papatheodorou, & P. Forsyth (Eds), *Aviation and Tourism: Implication for Leisure Travel* (pp. 119-135). Aldershot: Ashgate

Journal Article

The basic pattern for a reference to a journal article is: Author, initials. (year). Title of article. *Title of Journal*, Volume number if there is one (Issue number), start and end page number of article, e.g Buhalis, D. (2000) Marketing the competitive destination of the future. *Tourism Management, Vol. 21 (1)*, pp 97-116

Electronic Sources (Internet)

The basic pattern for a reference to an electronic source: Author, Initials (year). *Title*. Retrieved month day, year, from Internet address
Zalkin, C. (n.d). *Made in Japan: The Culture behind the Brand*. Retrieved August 29, 2009, from www.brandchannel.com

Buhalis, D. (2000), Marketing the competitive destination of the future [Electronic version]. *Tourism Management, Vol.21 (1)*, pp.97-116

All articles submitted for publication should be accompanied with the sum of ₦5,000 assessment fees. All assessed articles will be mailed back to the owners to see the judgment whether their articles are accepted for publication or not. All accepted articles are to be corrected and return back together with publication fee of ₦25,000 only. However, the amount of publication fees is subject to change without prior notice and shall be based on the prevailing market situation of the prevailing cost of publication.

EDITORIAL

Bayero Journal of Library and Information Science (BJOLIS) is a bi-annual publication of the Department of Library and Information Sciences, Bayero University, Kano-Nigeria. Its editorial board consists of seasoned academics and practitioners from the field of librarianship, ICTs and Research Methodology. BJOLIS is an international peer reviewed journal devoted to the field of library and information science. It is also a multidisciplinary journal that serves as a forum for discussions and dissemination of research findings in librarianship

This issue is filled with articles dealing with current trends in librarianship, these articles were highly scrutinized to blind peer reviewed process, before being selected for the issues discussed.

Finally, we sincerely appreciate the contributions of numerous contributors, subscribers and readers, because this issue would not have been possible without their efforts and contributions. Likewise, good journal cannot be in the making without good manuscripts. While commending all the contributors to this edition, we also welcome those who may wish to publish their articles in the future.
